

FISCAL NOTE

HB 1245 - SB 1681

March 5, 1997

SUMMARY OF BILL: Mandates prenatal testing for hepatitis B in addition to the existing requirement for syphilis and rubella testing.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

The Department of Health does not anticipate a significant increase in the number of such tests. The performance of such testing is already required under TennCare.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first name "James" being the most prominent.

James A. Davenport, Executive Director
